ABOUT ME

- I was born and raised in San Diego, CA.
- I love listening to 80's music, especially Billy Joel.
- I am a tap dancer!
- I was an editor on my college newspaper.
- My favorite place I have visited is Stonehenge in the U.K.
- I reread the Harry Potter books every summer.

Devon Bohart
Community Director

Dear Resident:

Welcome to The University of Alabama! Good choice! We are excited about your arrival, and are ready to help you on your way to becoming an integral part of the UA community.

When you arrive on campus, you will meet your Resident Advisor, who will help you as an advocate, an information source and an advisor as you navigate the UA environment. The HRC staff has been carefully selected, thoroughly trained, and are incredibly enthusiastic about enhancing your Alabama experience. Your growth is our central concern, and we have designed progressive programs for enriching the culture of your residential life. Immerse yourself in the opportunity and become involved in activities within the Tutwiler community this fall.

Tutwiler is a traditional-style building with a high energy and diverse staff. The residents of

Tutwiler can enjoy the feeling of always having a friend nearby. It is a community with people always coming and going. It is a building where the opportunity for interactions are high and conversations are always flowing.

By now, you should have selected a Move-In date and time through the Move-In website. If you do not select a time, one will be assigned to you. You will receive additional move-in information via Crimson email later this month, including driving and parking instructions and a map to direct you to your residence hall.

We look forward to your arrival and a great year! Roll Tide!

Your Area Coordinator:

Vacant

Please contact Maria Bonifacio-Sample,
mnbonifacio@ua.edu

- I was a Parent Ambassador for two years.
- I love the outdoors.
- I have been skydiving.
- I enjoy writing.
- I have a collection of Essie nail polish.
- I love to binge watch television series.
- I love to cook!

Kait Young
Community Director

BED INFORMATION

Your bed is a regular-size twin, so regular twin bedding will be sufficient. Your bed will adjust to a height of 31 inches, so you may decide to have your bed lofted. In order to do this, please contact Collegiate Bed Loft at cblorder.com.

Outside mattresses are not permitted.

FURNITURE

The furniture that is provided by HRC must stay in the room. Any additional furniture that you choose to bring in must not present a safety hazard, i.e. blocking doors. Please note that any upholstered furniture or other items you choose to bring into your room must be made of fire-resistant upholstery. Fire ratings for acceptable furniture will be shown on tags attached to the item, in accordance with the Flammability Requirements of California Bureau of Home Furnishings Technical Bulletin 117 (a tag on the upholstery will display if this piece is compliant with these standards).

CABLE AND INTERNET

Your community will have a wireless internet connection, but you may want to bring an Ethernet cord as well. If you plan on bringing a smart TV, printer, or gaming system, please plan on connecting it with a cable, instead of the shared wireless connection.

Cable service is already connected in your room. Please remember to bring a coaxial cable for each television you are planning to hook up. DO NOT plan to mount a television on the wall, as this is not permitted in any residence halls.

Here's a list of things you'll want to know in preparation for Move-In this fall.

No pets are allowed in the residence halls. Owners of unapproved animals are subject to conduct hearings and fines.

Blinds are installed in each room; however any curtains are the sole responsibility of the resident and are only acceptable with tension rods that do not damage the window framing or walls.

You may only use 3M command strips to hang items on walls.

If you are planning on bringing a headboard, or oversized furniture, the maximum height is 72". Anything taller will not fit on elevators and may interfere with fire safety equipment.

APPLIANCES

Your room will have a microfridge which is a microwave, freezer, and refrigerator all-in-one unit. Please do not bring any additional microwaves or refrigerators.

HRC does not permit open-flame appliances or appliances where the food comes into direct contact with the heat source. Students are encouraged to utilize appliances with an automatic shut-off feature in their space.

If you have specific appliance questions, please email housing@ua.edu.

LAUNDRY

The laundry room is available on the 1st floor. The cost is \$1.50 for washing and \$1.25 for drying. The machines take Bama Cash from your ACT card.

We recommend you use high efficiency (HE) laundry detergent, which will help ensure that your clothes are properly rinsed during the washing cycles. You also don't need as much detergent per load as with traditional detergent.

BATHROOM

You will share a community bathroom, so you may want to bring shower shoes and a shower caddy. If you share a bathroom with your neighbors that cannot be entered through the common hallway, you will be responsible for cleaning it and therefore you will need to bring cleaning supplies and your own toilet paper.

OTHER ROOM INFORMATION

Your floor is vinyl tile, so you may decide to bring an area rug. You may also purchase a rug from Collegiate Bed Loft at cblorder.com.

Your building is single-gender, so please check with the building staff regarding guest and/or visitation policies for the opposite gender.

Move-In

For more information on getting ready for Move-In, check out our website with tips and packing lists.

You will receive additional move-in information via Crimson email later this summer, including driving and parking instructions and a map to direct you to your residence hall.

Email us questions at moveinhelp@ua.edu.
